INTERNATIONAL SCIENTIFIC AND PRACTICAL CONFERENCE 2026

XII International scientific and practical conference «University, science, and innovation: modern challenges and strategic prospects», November 24-27, 2026, Tallinn, Estonia

International Science Group invites students, teachers of schools and universities to take part in the international scientific and practical conference «University, science, and innovation: modern challenges and strategic prospects», November 24-27, 2026, Tallinn, Estonia

International ISBN – 979-8-90872-233-9.

Organizational contributions:

The size of the organizational contribution is UAH 350 | $9 | €8. for each submitted thesis (regardless of the number of authors or pages).

Important dates:

- **The deadline for accepting manuscripts and payment is until November 22 (inclusive).**
- Placement of the collection of conference materials on the website - November 24.

The main directions of the conference :

1) Aviation and space technology	30) Mechanical Engineering
2) Automation and computer-integrated technologies	31) Medicine
3) Agricultural engineering	32) Management
4) Agronomy	33) Metallurgy
5) Architecture and urban planning	34) Art
6) Biology and biochemistry	35) Earth Sciences
7) Biotechnology and bioengineering	36) Education
8) Construction and civil engineering	37) Occupational Safety
9) Veterinary medicine	38) Beauty Services
10) Aquatic bioresources and aquaculture	39) Law
11) Geography and regional studies	40) Applied Mechanics
12) Geodesy and land management	41) Psychology
13) Mining and oil and gas technologies	42) Public Management and Administration
14) Hotel and restaurant business and catering	43) Horticulture
15) Ecology	44) Sociology
16) Economics	45) Dentistry
17) Electrical engineering	46) Animal Husbandry
18) Electronics	47) Therapy and Rehabilitation
19) Software engineering	48) Environmental Protection Technologies
20) Information systems and technologies	49) Transport
21) Information and measurement technologies	50) Tourism and Recreation
22) History and archeology	51) Pharmacy
23) Cybersecurity and information protection	52) Physics and Astronomy
24) Computer Engineering	53) Physical Culture and Sports
25) Computer Science	54) Philology
26) Cultural Studies and Museum Studies	55) Philosophy
27) Forestry	56) Food Technologies
28) Marketing	57) Chemistry
29) Mathematics	

Conference languages:

Theses are presented in any language at the discretion of the authors. Materials from representatives of sanctioned countries are not accepted, as well as materials written in the language of such countries.

The general requirements for registration are:

1. A participant can present several reports;
2. The maximum number of authors of one report is five;
3. The volume of materials is from two to ten pages;
4. Text format: Microsoft Word (* . doc , *. docx);
5. The language of the text is arbitrary: Ukrainian, English and all others;
6. Page orientation is book-only;
7. Margins (top, bottom, left, right): 2 cm;
8. Font: Times New Roman , size (pin) – 14;
9. Line spacing - single, indent - 0.75 cm.
10. The font color is black.
11. Formatting figures in the text: under the title of the figures, you must add the inscription "Source of the figure" or in the language in which the abstract is formatted.

More detailed information on theses:

You can download a sample of theses from the link - theses template

1. At the beginning of the abstracts is the name of the conference.
For example: The name of the conference is “Development of science through the latest technologies and theories” (pin 14, lowercase, font – bold, font color – red, left alignment).

2. The section to which your theses belong is indicated under the name of the conference. Example: Section - Education (pen size 14, lowercase letters, font - bold, font color - red, alignment on the left edge). You can find more detailed information about the planned directions of the conference on the page of the planned conference

3. Title of the article (point 18, capital letters, bold font, center alignment);

4. Name of the author(s) (point 16, lowercase, bold, right-justified);
- academic degree, academic title, position (right alignment);
- place of work (study) in the nominative case (justified on the right edge);
- e- mail of the author(s) of theses;

5. Across the line - the main text of the article (pin 14, line spacing - 1, paragraph indent - 0.75 cm, width alignment);

6. List of references: drawn up at the end of the article in the order of use of the source in the text under the name "List of references". The list of references cannot contain references to works published in sanctioned countries.

Приклад оформлення тез:

Conference name - «The future of science: the latest research and innovations»
Section name – Education

TRANSFORMATIONS OF EDUCATION IN THE ERA OF MODERN TECHNOLOGIES

Last name Full name,
academic degree, academic title, position
place of work
e-mail of the author

Last name Full name
academic degree, academic title, position
place of work
e-mail of the author

Submission of theses materials:

1. In one letter, the files of abstracts of the reports and the receipt for the introduction of the organizational document are sent to the e-mail : info@isg-konf.com .
2. The subject of the letter is the name of the conference.
3. Name the files according to the example: Abstracts_Petrov ; Payment_Petrov .
4. After sending the materials to our e-mail, expect confirmation of their receipt and your inclusion in the list of conference participants.
5. The corresponding certificates and the collection of materials can be reviewed on the first day of the conference, they are available for download on the website. You can also download a sample certificate (sample certificate).
6. Sent letters that do not contain relevant files may be left without consideration.
